THE ARMY MEDICAL LIBRARY  
Washington, D. C.

**THE ARMY MEDICAL LIBRARY**  
**PHOTODUPLICATION SERVICE**

The purpose of photoduplication is to extend the services of the Library to those at a distance who cannot come in person to use its collections. To this end the Library will:

1. Lend without charge single microfilm copies of original articles published in medical periodicals not available locally.
2. Fill requests for microfilms and photoprints for official business in the Department of Defense free of charge.
3. Sell microfilms and photoprints to those desiring to retain them.

Except when the order is accompanied by the written permission of the copyright owner, the Army Medical Library will not reproduce books protected by copyright, or complete issues of periodicals, or make more than one copy of any item.

**INSTRUCTIONS**

All requests, including those for loans must be submitted on AML official order Blanks (Form 48), a supply of which will be furnished on request. Loan requests must be routed through libraries, governmental agencies, or research institutions. Microfilm loans are to be returned to the AML within ninety days of receipt.

Purchase orders must be accompanied by cash, check or money order made payable to the Treasurer of the U. S., or by AML or UNESCO coupons sold for that purpose. Refunds will be made by AML coupons unless cash is specifically requested. Federal agencies will be billed periodically by means of Standard Form 1080 (Voucher).

**CHARGES**

For those desiring to purchase microfilms and photoprints, the charges are:

1. Microfilm: 50 cents for each 50 pages or fraction thereof from a single article.
2. Photoprints: 50 cents for each 5 pages or fraction thereof from a single article.

---

The CURRENT LIST OF MEDICAL LITERATURE is for sale by the Superintendent of Documents, U. S. Government Printing Office, Washington 25, D. C. Price: \$3.00 per year (\$3.75 foreign); 10 cents per single copy. All communications regarding subscriptions should be addressed to the Superintendent of Documents.

Published weekly by the ARMY MEDICAL LIBRARY, 7th Street & Independence Ave., S. W., Washington 25, D. C., as an intraservice publication of the Department of the Army. Lists articles of medical interest contained in current journals received. Subject and author index provided monthly. Exchange invited.
